

Patience

Fruit of the Spirit

Lesson 4 of 9

Written by Kara Jenkins

This is the fourth Bible lesson in our series based on the Fruit of the Spirit in Galatians 5. Each particular lesson plan explains a specific character quality that God creates in us through His Spirit.

Suggested Age Group: 1st - 3rd Grades

Relevant Scriptures Pertaining to Patience: Galatians 5:22-23; 1 Timothy 1:16; Colossians 1:11; Proverbs 19:11; 2 Peter 3:15

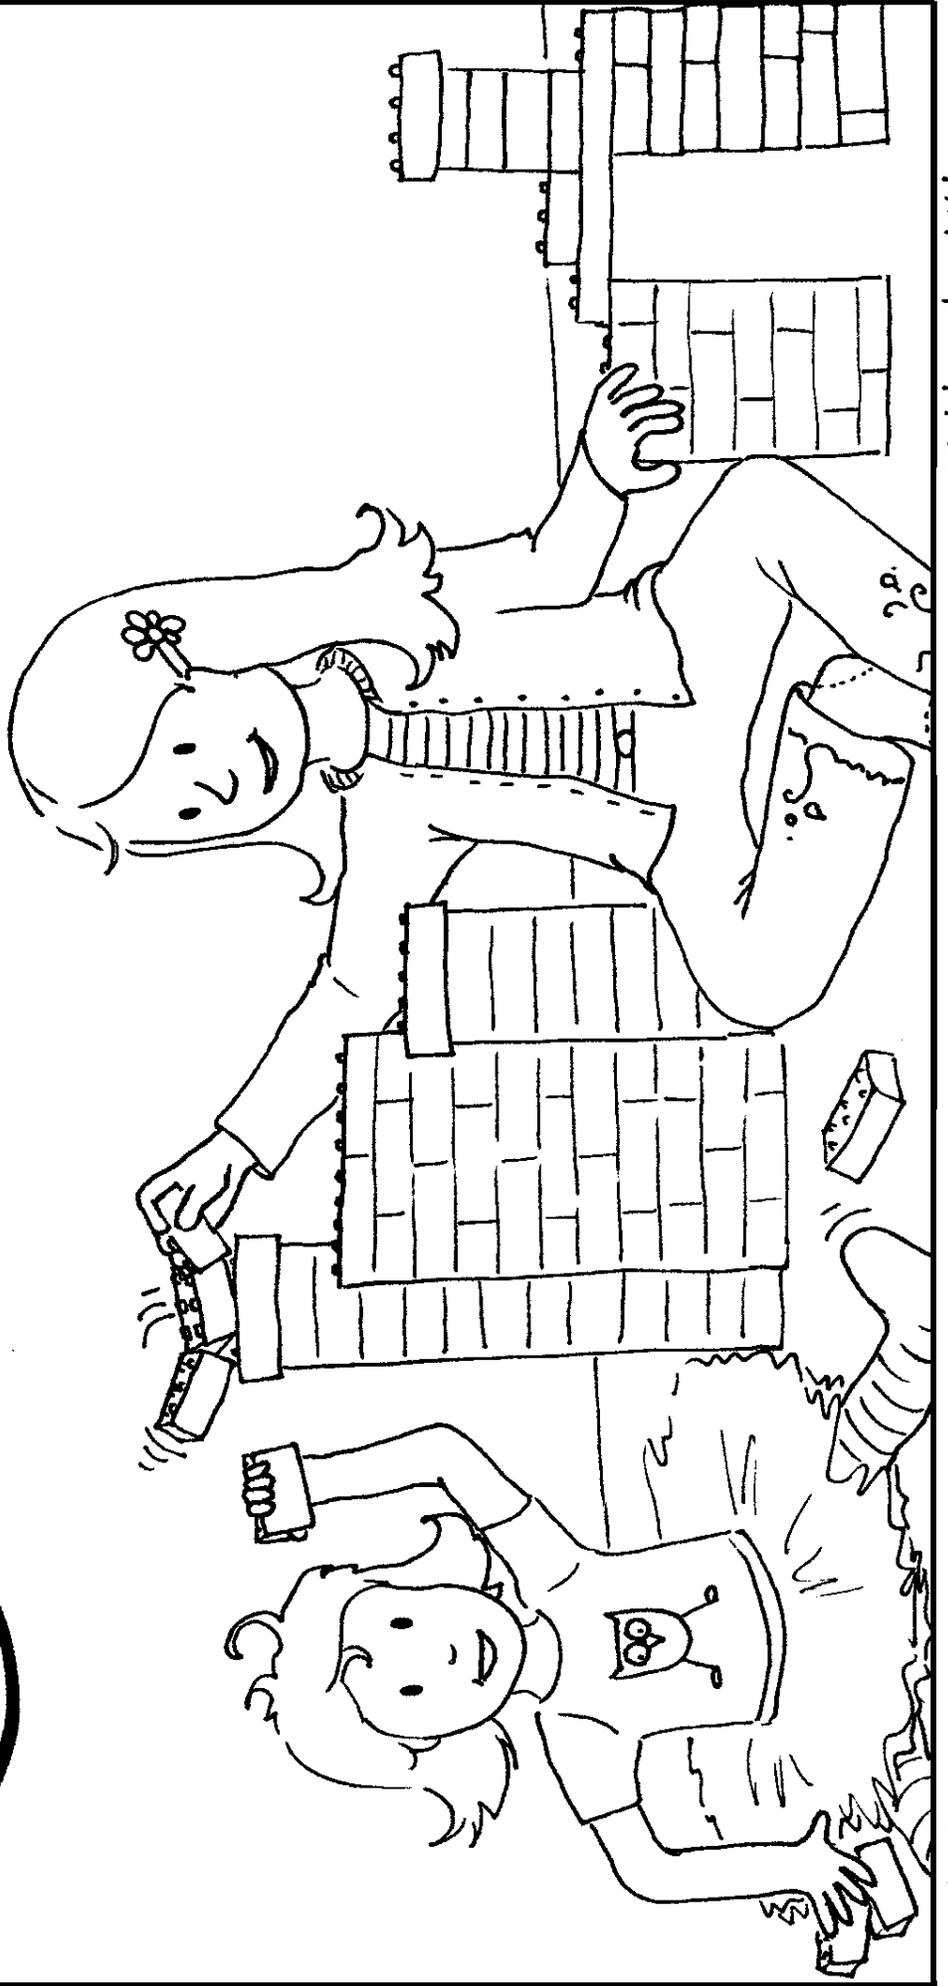

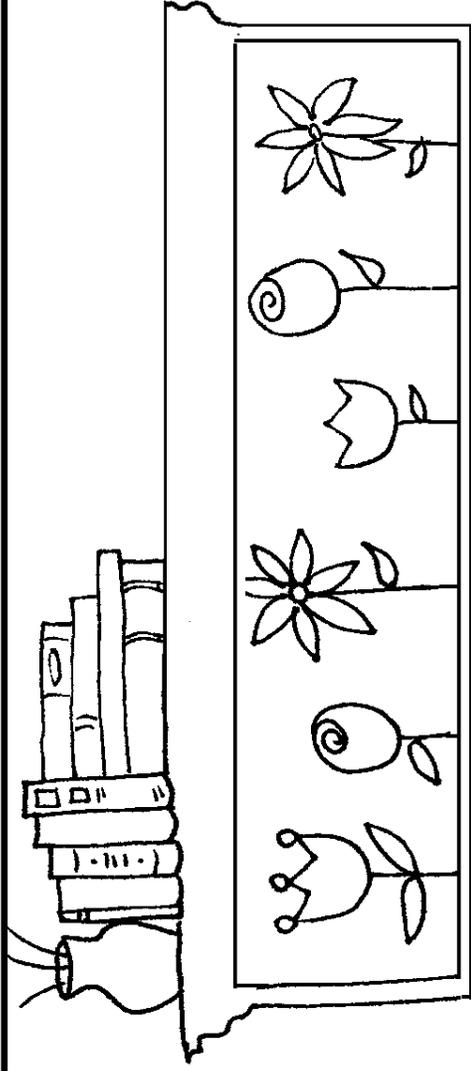

Learning Objectives: After this lesson, the children will demonstrate:

1. An understanding that patience is a fruit of the Spirit.
2. An understanding that patience is modeled most greatly by our God and is made possible through Christ

Bible Verse to Memorize: 1 Timothy 1:16: “But for that very reason I was shown mercy so that in me, the worst of sinners, Christ Jesus might display his immense patience as an example for those who would believe in him and receive eternal life.” (NIV).

Items Needed:

- Oranges or other type of snack (check for allergies)
- Bibles (plus extras for children who forget to bring one), dry erase or chalk board and dry erase markers or chalk
- Optional: blank pieces of paper, writing/drawing utensils

- Piece of paper for parents with 1 Timothy 1:16 and a list of this week’s relevant Scriptures written or printed on them, one for each family
- Before your children arrive, write on the board the following four verses in a column:
 - Proverbs 19:11, “A person’s wisdom yields patience; it is to one’s glory to overlook an offense.” (NIV)
 - Colossians 1:11, “[B]e strengthened with all power according to his glorious might so that you may have great endurance and patience.” (NIV)
 - 1 Timothy 1:16, “But for that very reason I was shown mercy so that in me, the worst of sinners, Christ Jesus might display his immense patience as an example for those who would believe in him and receive eternal life.” (NIV)
 - 2 Peter 3:15, “Bear in mind that our Lord’s patience (in reference to His second coming, read in context) means salvation, just as our dear brother Paul also wrote you with the wisdom that God gave him.” (NIV)
- On the opposite side write the following descriptions (make sure they are not matched up with the verses, see activity description below in the section entitled **God Revealed**):
 - Through God’s power, we can be patient.
 - A wise person is patient.
 - Christ is patient so more people can be saved; He is our example.

Please note, there are four verses and three descriptions, so two verses will match the same description.

Optional Activity: For the fruit of the Spirit lessons, make a tree for the wall labeled “Believer” or “Christian.” (On a poster board or large piece of paper, draw or use construction paper.) Make paper “fruits,” each labeled with an attribute of the Spirit: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Each week add the particular attribute you are teaching about. This week, you would add “patience,” allowing a child to place it on the branch of the tree. Use only one type of fruit, for though there are several virtues produced by the Spirit, they are all one type of fruit: the fruit of the Spirit.

Bible Lesson

Kindle Curiosity (5 minutes)

Have a few oranges to pass out to the class (or whatever fruit you would like, or another type of snack. You can shape this idea to fit your class). Take out a knife and slowly, slowly begin to slice up the oranges. Take your time! Lots of time! When you notice them becoming impatient, ask:

Can anyone tell me what patience is? (Allow time for response and different ideas.) The dictionary tells us patience is the bearing of pain, misfortune, or annoyance without anger, irritation, or complaint. Bearing is like holding something very heavy. When you are going through something difficult, it can feel like you are carrying something very heavy everywhere you go. So patience is going through something very hard, or just something very annoying, without getting angry or complaining.

What is the opposite of patience? (*Impatience!*) Did it make you irritated when I was taking so much time to pass out the orange slices to you? What are some things you go through each day that make you impatient? (Write their thoughts on the board.)

God Revealed (15 minutes)

- Begin by reading together Galatians 5:22-23.

The Bible tells us in this passage that patience is a fruit of the Spirit. If we are saved, the Holy Spirit is living inside of us, and we can be patient people. This does not mean that we will be patient all the time! But as we come to know God more and more, we change! Patience becomes part of the kind of person we are. With the Spirit living inside of us, He gives the power to be patient!

In order to know all about patience, what do we need to do? (*Look in the Bible!*) God's Word is our ultimate source of truth!

There are four different parts of patience we are going to read about today. I am going to read the verse aloud, and I want you to match the verse with the description of patience

written on the board. (As they guess correctly, draw a line from the description to the verse, or ask for four different children to come up and draw a line to match the verse with the corresponding description.)

What do we learn about patience based on these verses? (Discuss each verse individually. Use the points below as a guide, but let them give their thoughts on each verse.)

Proverbs 19:11 reminds us that *a wise person is patient*. When someone wrongs them, they patiently forgive that person. Also, it is really tough to be patient sometimes, but Colossians 1:11 tells us that God's glorious power gives us strength to be patient. Not only does God give us strength to be patient, but He also shows us how to be patient.

Second Peter 3:15 explains that Jesus is patiently waiting to come back to earth so that all people will have a chance to know Him and be saved. So, God is patient in a general way with all people, but also in a very specific way with each of us.

In 1 Timothy 1:16, Paul says that he was shown mercy so that God's perfect patience would be put on display. Paul, like all of us, did not deserve to be saved. He had offended God badly over and over again, but God was patient with him and still saved him.

Personal Pursuit (10 minutes)

Each day we will face situations that test our patience. These can be small things, like someone taking their time when you are in a hurry or very big things, like waiting on God to heal a family member. As we learn to be patient in the small things, God will prepare us to go through the bigger things. Today we have _____ here to share with us a story from his/her life when he/she had to wait on God and be patient.

- **Activity:** Use the Fruit of the Spirit coloring page for patience. Act out the scene depicted in the picture or the scenarios you discussed as a group. Emphasize ways you can control your irritation in different situations to show patience (prayer, leaving the room, remembering Scripture, etc.).

Say: When we are struggling to be patient with another person, we should remember God's patience toward us. As sinners, we have offended God. The Bible says that we have even hated Him. So, God had every right to be angry with us, but instead He showed just how awesome His patience is by saving us! If someone hurts you and you really just want to explode back at them, think of all the things you have done against God. Think of how He could have punished you, but instead in His patience poured out His mercy and love. This is not just when we are saved either. Every day we still wrong God and He still is patient with us. So, may that truth sink deep into our hearts and motivate us to be patient with others!

Daily Knowing (7-10 minutes)

I want us to memorize together 1 Timothy 1:16, "But for that very reason I was shown mercy so that in me, the worst of sinners, Christ Jesus might display his immense patience as an example for those who would believe in him and receive eternal life." (NIV) (Use hand motions or write it on the board, erasing one word at a time until everyone is able to say it together without seeing it.)

Closing Activities (5-10 minutes)

- Spend time in prayer together. Remember the specific situations your children are going through. Invite them to share their needs and praises. Praise God for the fruit of the Holy Spirit, the patience we are able to have because He lives within us.
- Encourage parents to work on this week's verse with their children. Send home the paper with the verse and Scriptures printed on it.
